The book fair is coming! The Scholastic Book Fair will be in the elementary library Monday, November 1 through Friday, November 5. Book fair flyers will be coming home with your students today in their Thursday folder. The book fair gives our students the opportunity to find new and exciting books to purchase. The profits received from the book fair provide new and exciting library books which our students get to enjoy for years to come. Due to the ongoing pandemic, parents will not be attending the book fair. Please feel free to visit our virtual online book fair site at [scholastic.com/fair](https://www.scholastic.com/fair) to select and purchase books. Thank you for your understanding and support!
