

# **Warner Public Schools – EOE** is accepting applications for **Elementary Special Education Paraprofessional**

Paraprofessional needed to assist special needs students in a full inclusion environment. Applicants preferred to be “highly qualified” or willing to become certified, able to take direction and work cooperatively in a changing environment. This unique position demands kindness, patience and flexibility to work with students and teachers within the regular education classroom.

## **Requirements:**

- High school diploma, associates degree and/or Paraprofessional Training
